**** (HIGH INTEREST CURRENTLY CIRCULATING THIS PROPERTY...BE QUICK) ****

This perfectly positioned property is a rare opportunity to buy a lifestyle that we typically scroll through on our socials and crave. Externally it is understated but once you move through the various living and entertaining zones you realise that you are in a very special property - welcome home, to 67 Gresham Street, Victoria Park. Finished off with top of the range fixtures and fittings throughout it really must be seen to be appreciated, and there is ample room for all your cars and toys on the 575sqm rear green titled block. The owners have crafted a relaxed and welcoming family haven (with just a hint of Balinese inspiration throughout) but retirement is beckoning so another chapter will start as this one concludes.

Building Size : 185 sqm
Land Size : 575 sqm
